Past Event Report

About Past Event:

Scientex Conference successfully hosted its second series on the “3rd International Conference on Gynecology, Obstetrics and Women’s Health” in Dubai, UAE during November 20-21, 2023 and “3rd International Webinar on Gynecology and Obstetrics” on November 27-28, 2023 as per the time zone GMT+4. The event was organized with a theme focused on “Current Progress and Future Perspectives in Gynecology and Obstetrics” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Gynecology and Obstetrics 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Gynecology 2023 Organizing Committee would like to thank the session chairs Dr Majd Oteibi, Validus Institute Inc., USA and Dr Javier Jerry Rose, Ministry of Health, Seychelles for making the sessions such a worthwhile experience. Dr Erika Valencia Mejía from Timser company, Mexico skilfully moderated the discussions, ensuring diverse perspectives were heard and fostering engaging discussion among participants, thanks for your support, Dr Erika Valencia Mejía. Also, we would like extend a very hearty vote of thanks to all the participants for gracing your important work and sharing your findings and opinions with us!
